PUBLIC SERVICE.
It is the duty of those serving the people in public place to closely limit public expenditures to the actual needs of the government economically administered, because this bounds the right of the government to exact tribute from the earnings of labor or the property of the citizen, and because public extravagance begets extravagance among the people. We should never be ashamed of the simplicity and prudent economies which are best suited to the operation of a republican form of government and most compatible with the mission of the American people. Those who are selected for a limited time to manage public affairs are still of the people and may do much by their example to encourage, consistently with the dignity of their official functions, that plain way of life which among their fellow citizens aids integrity and promotes thrift and prosperity.—Grover Cleveland.

BIRD SOUNDS.
The nightingale our ears would win,
The lark sings in the glen,
But there's more music these days in
The cackle of the hen.
—Cincinnati Enquirer.

Birds sounds are pleasant to the ears,
Could one wish better luck
Than sitting by the fire to hear
The sizzle of a duck?
—Youngstown Telegram.

For duck or peafowl, hen or lark,
Some pine and sigh and sob,
While some are charmed with,
day or dark,
The cooing of the squab.
—New York Sun.

Look to Your Plumbing.
You know what happens in a house in which the plumbing is in poor condition—everybody in the house is liable to contract typhoid or some other fever. The digestive organs perform the same functions in the human body as the plumbing does for the house, and they should be kept in first class condition all the time. If you have any trouble with your digestion, take Chamberlain's Tablets and you are certain to get quick relief. For sale by all dealers.—Adv.

Thousands of women, who have been benefited by this remedy, urge you to

TAKE

Cardui

The Woman's Tonic

Mrs. Sylvania Woods, of Clifton Mills, Ky., says: "Before taking Cardui, I was, at times, so weak I could hardly walk, and the pain in my back and head nearly killed me. After taking three bottles of Cardui, the pains disappeared. Now I feel as well as ever. Every suffering woman should try Cardui." Catabottle today. E-68

Character Told by the Feet.

The person who lacks firmness of character, directness of purpose, and the potentiality which compels success is revealed in him who sits with one foot brought closely up to the other at the back and with the knees of both limbs bent. On the other hand, the individual who sits with the feet firmly set on the ground and apart two or three feet can be trusted to be one capable of transacting a matter to a successful issue, through no luck but downright energy and capability of character.

For Coughs and Colds

To Cure a Cold in One Day
Take LAXATIVE BROMO Quinine. It stops the Cough and Headache and works off the Cold. Druggists refund money if it fails to cure. E. W. GROVE'S signature on each box. 25c.

Filling a Fountain Pen.
When filling a fountain pen, to prevent annoyance from air bubbles, use narrow, tapering pieces of blotting paper, cut small enough to reach easily into the barrel of the pen. When touched with one of these blotter points the bubbles disappear and others do not form.

The Danger After Grip
Lies often in a run-down system. Weakness, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys often follow an attack of this wretched disease. The greatest need then is Electric Bitters, the glorious tonic, blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen the nerves, build up the system and restore to health and good spirits after an attack of Grip. If suffering, try them. Only 50 cents. Sold and perfect satisfaction guaranteed by all druggists.—Adv.

Saved by Bursting Bottle.
The bursting of a bottle of soda water saved by the family of Mr. J. G. Grant, who reside in Silver street, Colchester, England, from death by fire. A loud report awoke the occupants of the house in the early hours of the other morning. There was smoke in their rooms, and a search revealed the fact that an oaken beam beneath a bedroom floor was on fire. The sodawater bottle which acted as a fire alarm had been placed on a shelf near the beam, and had exploded when it became hot.

Almost A Miracle.
One of the most startling changes ever seen in any man, according to W. Holcslaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for Coughs and Colds with excellent results." It's quick, safe, reliable and guaranteed. Price 50 cents and \$1.00. Trial bottle at all druggists.—Adv.

Swiss Rainbow After Sunset.
A French astronomer recently had the unusual experience of beholding a rainbow in the Swiss Alps after sunset. It spanned a valley between two mountains to the eastward, complete and brilliant, 25 minutes after the astronomical sunset, and portions of it were visible for a half hour.

Straight at It.
There is no use of our "beating around the bush." We might as well out with it first at last. We want you to try Chamberlain's Cough Remedy the next time you have a cough or cold. There is no reason so far as we can see why you should not do so. This preparation by its remarkable cures has gained a world wide reputation, and people everywhere speak of it in the highest terms of praise. It is for sale by all dealers.—Adv.

Why?
Sometimes it seems as if every person who was lacking in initiative, special ability or industry desired to be either a writer, an actor or an artist. The most agreeable way for a lazy person to make a living is to express his own opinions, emotions and impressions.—Harper's Weekly.

Give Comfort to Stout Persons.
A good wholesome cathartic that has a stimulating effect on the stomach, liver and bowels is Foley's Cathartic Tablets. Thoroughly cleansing in action, they keep you regular with no gripping and no unpleasant after effects. They remove that gassy distended feeling so uncomfortable to stout persons. For sale by all dealers everywhere.—Adv.

Foley Kidney Pills Successful for Rheumatism and Kidney Trouble.
Positive in action for backache, weak back, rheumatism, kidney and bladder troubles. P. J. Boyd, Ogle, Texas, writes: "After taking two bottles of Foley Kidney Pills, my rheumatism and kidney trouble are completely gone." Safe and effective. For sale by all dealers everywhere.—Adv.

To the Middle-Aged.
Say to yourself that you are entering upon the autumn of your life; that the graces of spring and the splendors of summer are irrevocably gone, but that autumn weather is often darkened by rain, cloud and mist, but the air is still soft, and the sun still delights the eyes, and touches the yellowing leaves, caressingly; it is the time for fruit, for harvest, for the vintage, the moment for making provision for the winter.—Amiel's Journal.

Children's Diseases Very Prevalent.
Whooping cough is about everywhere. Measles and scarlet fever almost as bad. Use Foley's Honey and Tar Compound for inflamed throats and coughing. Mrs. L. C. Hostler, Grand Island, Neb., says: "My three children had severe attacks of whooping cough, and a very few doses of Foley's Honey and Tar gave great relief." For sale by all dealers everywhere.—Adv.

Why She Felt Safe.
A little southern girl who had had a quarrel with her sister was very angry and was vowing all sorts of vengeance. Her aunt said to her: "You must not feel that way. Remember, the Bible says, 'Vengeance is mine and I will repay, saith the Lord.' The child studied a moment, and then said: 'Yes, but you know, auntie, God's a gentleman, and he couldn't do anything to a lady!'"

Put End to Bad Habit.
Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them. Let the joy of better feelings end "the blues." Best for stomach, liver and kidneys. 25c. at all druggists.—Adv.

"Popple."
In some English dialects "pobble or popple" (for it is variously spelt and pronounced), seems to mean a large pebble (A.S. papol). The same word survives today among sea-faring men, who talk of a "popple" sea, meaning a "choppy sea"—one the surface of which is agitated with innumerable "lumpy" waves. On the other hand, there is an old English word "popple" meaning "poplar," which is in use today in some parts of Canada. Evidently the word as it stands is of considerable interest, and of double derivation and meaning.

It Looks Like a Crime
to separate a boy from a box of Buckley's Arnica Salve. His pimples, boils, scratches, knocks, sprains and bruises demand it, and its quick relief for burns, scalds, or cuts is his right. Keep it handy for boys, also girls. Heals everything healable and does it quick. Unequaled for piles. Only 25 cents at all druggists.—Adv.

Economy in the Home.
In keeping house it is quite as necessary to watch the outgoing as the incoming. Not the tiniest scrap of food need be wasted as long as it is good. It is wonderful what a nice pot of drippings can be kept on hand if a fat is taken care of. Sauces, too, can be often utilized in making over dishes, to give flavor or zest when lacking, as well as an addition to the soup kettle.
